

## **Tentative schedule for Quasar Day 2017**

Where: Bloomberg 462 (moving to 475 at 2:15 pm because there will be other talks in that room.)

Three parking slots near the entrance to Muller Lot have been reserved. Drexel will use two parking passes, Princeton will use one. Let me know if more are needed ASAP.

**The schedule is very full. Please make sure to fit your prepared slides to 10 minutes to allow time for discussion!**

Drexel crew arriving at 10:00; Princeton crew arriving at <10:30

**Coffee and breakfast 10:00 -- 10:30; coffee, donuts and fruit provided**

**Let's not forget to place our lunch order during breakfast...**

10:30-12:00 High redshift quasars -- 10 minutes each and discussion

Rachael Alexandroff (JHU) -- polarimetry of highz type 2s and red quasars

Yusra AlSayyad (Princeton) -- highz quasar LF

Devin Crichton (JHU) -- SZ from quasar feedback

Kirsten Hall (JHU) -- galaxies clustered around quasars

Angelica Rivera (Drexel) -- highz type 2 selection

John Timlin (Drexel) -- highz quasar clustering

Radio -- 10 minutes each and discussion

Hsiang-Chih Hwang (JHU) -- radio emission of extremely red quasars

Rob Stone (Drexel) -- radio properties of quasars with outflows

**Lunch 12:50 -- 1:50; we will order from Chipotle, sponsored by JHU**

**[There will be a talk starting at 2:00 in 462 so we'll need to move to 475 before then.]**

1:50-2:50 Variability -- 10 minutes each and discussion

Norman Grogin (STScI) -- AGN variability in CANDELS

Jack O'Brien (Drexel) -- quasar variability in Stripe 82

Jackie Moreno (Drexel) -- quasar variability with K2

3:00-4:00 Local and  $z \ll 1$  AGNs -- 10 minutes each and discussion

Sean Johnson (Princeton) -- absorption-line probes of quasar environments  
Erini Lambrides (JHU) -- mid-IR spectroscopy of AGNs and their hosts  
Keziah Sheldon (Drexel) -- understanding biases in BH mass scaling relations  
Dominika Wylezalek (JHU) -- MaNGA and other IFU studies of nearby AGNs

Attending but not giving a talk:

Marco Chiaberge (STScI)  
Yi-Kuan Chiang (JHU)  
Andy Goulding (Princeton)  
Julian Krolik (JHU)  
Gordon Richards (Drexel)  
Michael Strauss (Princeton)  
Nadia Zakamska (JHU)

Speakers are listed in alphabetical order within the topic. We can go in any order we want.

**Leave at 5:00 and walk (1 mile = 20 min) or drive to dinner at Remington House**  
**<http://r.housebaltimore.com/>. JHU should be able to cover dinner for most, if not all.**
